

3-2-1 Blast Off!

To the Haycock Fun Fair

Date: Saturday, March 21st
Time: 10am – 2pm
Place: Haycock Elementary

"3-2-1, Get Ready for Blast-Off"! What? Where? Haycock's Fun Fair!! The date of Haycock's Fun Fair is Saturday, March 21st, hence our theme, "3-2-1, Blast-Off." Launch is scheduled from 10am-2pm. This is one of the most anticipated events of the year so get ready to blast off into fun!

For families that are new to the Haycock community, the Fun Fair is one of the PTA's largest events of the year. It is a wonderful event that provides fun for the whole family. The Fair is a mini-carnival with games, prizes, food, moon-bounces, raffles, and surprises for all. This is an event where all areas of the school are utilized--from the cafeteria and pod to the classrooms. Such a large event requires "team effort" for a successful launch. So get ready to blast off and join "Crew Haycock" for a stellar event.

Mission Control: In the following weeks, you will be contacted by your "Captain" room parent to help in the various areas listed below.

Flight Recruitment -- Volunteer your time - each class will be assigned a game booth or job at the fair and we will ask you to sign up for a time-slot to volunteer. Your room parent will be e-mailing and/or calling you about this in the next few weeks. If you have more than one child at Haycock, expect to volunteer for each child's class.

The Big Bang Basket Blast - Each class puts together a themed basket that is raffled at the Fun Fair. Parents will be asked to contribute items for their class basket...your child's teacher will announce their basket theme next week. In the meantime, if you have any large baskets you would like to recycle, please contact Jill Scherer (neal.scherer@verizon.net).

Flight Simulation -- Poster contest - A creative outlet for your child to share their enthusiasm about the Fair! Details on the rules and prizes will be coming your way in late February from Samantha Wright.

MRE's -- the Intergalactic Bake Sale - You will be asked to donate cookies, brownies, or other home-baked goodies for our bake sale on the day of the Fun Fair. Yum-yum! More details as we get closer to the event.

6th Grade Space (Cake) Walk -- As is the tradition, the 6th graders will be baking cakes for this event. More details from Lee Ann Konstantinov as we get closer to the event.

Please feel free to contact us with any questions, suggestions, or comments. If you have an interest in joining the launch/ground control crew please let us know.

Thanks so much for your support. We look forward to a successful mission!
