Why Join the PTA?

- The PTA plays an instrumental role in ensuring that Haycock is a vibrant and dynamic place of learning for our children and one of the best schools in the area. We work hard to support Haycock's mission of encouraging "the whole child," promoting students' desire for learning, sense of community and appreciation of others.
- The Haycock PTA supports many important educational activities and resources at Haycock, with the work of our volunteers as well as providing funding for most of Haycock's innovative technology used in the classrooms, field trips, assemblies, Cougar Woods, staff development, and MORE! Check out the list attached to this form to learn more about how PTA funds and volunteers make a difference at Haycock.
- As a PTA member, you can influence important decisions. You will get to vote on how PTA-raised funds are allocated, suggest new projects, and voice your opinion on issues affecting your children. PTA offers many ways to stay informed and get connected to your child's school. When you play an active role in your child's school, not only are your children more likely to earn higher grades, and feel more a part of the school community, but according to several research findings, the schools themselves get better when parents play an active role.
- Fairfax County's budget doesn't cover all the resources we'd like our kids and teachers to have. Every hour we spend volunteering matters; every dollar we contribute enhances our children's learning.
- PTA members receive a **free** copy of the Haycock Student and Family Directory
