

2018-2019 PTA MEMBERSHIP

Teachers & Staff

Support Haycock by joining the PTA. Your membership supports our efforts to provide valuable programs and activities throughout the school year. PTA membership offers valuable discounts. Please complete this form and include cash or your check payable to **Haycock PTA**. Membership is good for this academic year and must be renewed each year.

Another way to help Haycock earn money each year is to register in the local grocery card programs at Giant and Harris Teeter. These stores have programs that offer **FREE** money to schools each year. These funds go directly to the school; they do not pass through the PTA's budget. The funds the school earns from participation in this program helps Haycock over and above what the PTA raises and donates to the school each year. Even if you already have a school designated, you may be able to support more than one. To register your cards, please use the following links. Registration instructions are on page 2.
